## 1 Прочитай и ответь на вопрос: *What was Jane's adventure?*

Hi Billy!

How was your summer? What did you do?

My mum, my dad and I went to India. Of course it was very exciting.

But I want to write about my most fantastic adventure. I rode an elephant!

We went to a place where you can ride an elephant. I chose the biggest animal. It was as big as a bus. It had very kind eyes. An Indian boy helped me to climb it. And there I was, three metres above the ground.

It was a very hot day. There wasn't a cloud in the sky. I was on my beautiful elephant and I was sorry for it: it couldn't relax (отдохнуть) on such a hot day... I saw a river, and my elephant came up to the water. I thought it wanted to drink but it wanted to have a shower. It gave me a shower, too. It felt so good in the hot weather.

Please write to me about your summer. Did you enjoy it?

Love,

Jane
