# ПЛАН НА МЕСЯЦ

ПТ	СБ	ВС	

The page contains a grid for monthly planning. It features five rows of planning blocks. Each row has three columns for the days of the week: Friday (ПТ), Saturday (СБ), and Sunday (ВС). Each day's block is a rounded rectangle with a dotted grid inside. To the right of these blocks is a large, vertical dotted grid that spans the height of the five rows, providing a space for overall monthly notes or a summary.
