CHAPTER ONE

Gorgonzola DONUTS

Oh! I forgot to
introduce myself!
My name is
Stilton...

**Geronimo
Stilton!**

I'm the publisher of
**THE RODENT'S
GAZETTE,**
New Mouse City's
top newspaper!

But today, I'm
taking a day off
to work on my
novel...

Its title
will be...

No! Wait! That's not the
title of my novel! That was
Chef Z'Bungo
telling me the
breakfast specials
at his outdoor
café...

I ordered three donuts and a large juice.

What a great way to start my day off! Eating delicious food while watching the city I love slowly come to life.

*Limburger is a VERY smelly kind of cheese!

Before we could discuss it any further, my phone rang...
It was my sister, Thea!

Emergency meeting at
THE RODENT'S GAZETTE office,
Little Brother!

THEA!!!

You'd better
get down here
FAST!

Huh?

Thea, I didn't call any emergency meeting at the paper! I'm taking the day off!

I know you didn't call it! Grandfather William did!

Grandfather William is the owner of *The Rodent's Gazette!* We don't call him "Grandpa," but sometimes we call him "SIR"! The only thing he hates more than someone taking a day off is someone being late to a meeting!

There was only one thing to do...

TAXI!
