

CHAPTER ONE ↗

DINO DAZE

Haggis woke up early and got ready for the day.

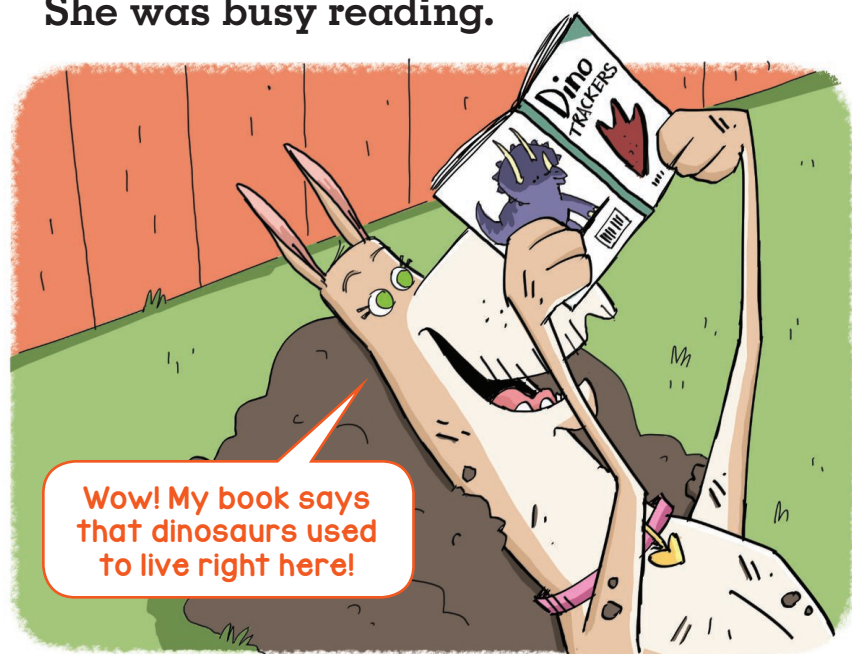

He clipped his toenails.

He snipped his mustache.

He polished his dog tag until it sparkled.

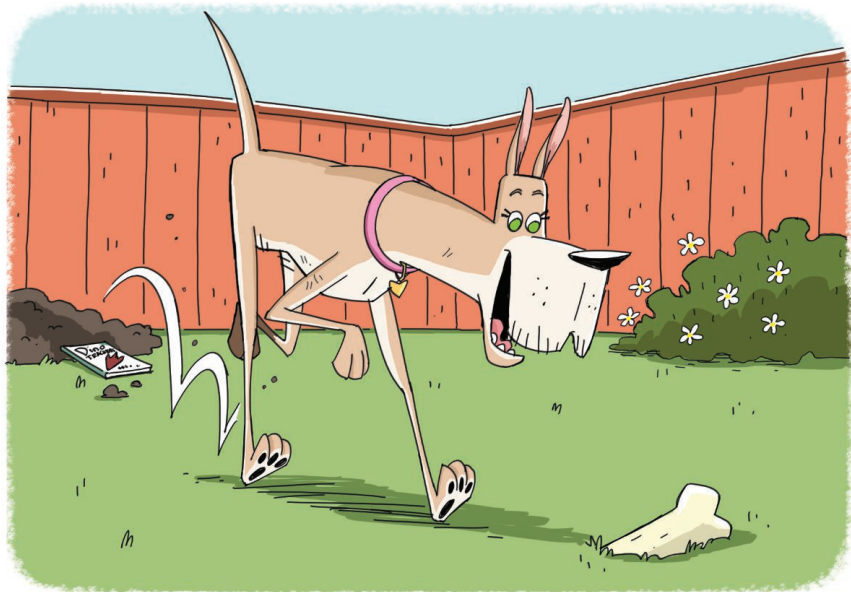

**Tank did not have time for grooming.
She was busy reading.**

Tank spotted something sticking up out of the ground. She ran to check it out.

Hot diggity dog!
Look at this
funny bone!

It doesn't look
funny to me.

Do you think it's a
dinosaur bone?

No. I don't.

Well, I do. Maybe
there are more!

Tank dug for dinosaur bones.

What are you
doing?

I'm digging
for dinos!
