Chapter 1 

School's Out for . . . EVIL

By: Slothbaby

Author's Note: This is going to be a short one, but I got this idea of Captain Marvel and Valkyrie going to school together and you know I had to write it down for you all. Read & review, please! Makes my inbox happy! (^o^)/

"Hey, Carol, you coming to practice after school?" Carol Danvers, AKA Captain Marvel, looked up from opening her locker to find none other than her best friend, Val, looking back at her.

“Val, uh . . .” How was she going to get out of this? She had secret fight training at S.H.I.E.L.D. after school, but Director Fury had told her no one was allowed to know. “I . . . uh.”

Her friend kept looking up at her expectantly.

“What, do you have a HOT DATE or something?” Val waggled her eyebrows, and Carol bit back a laugh.

“Yes! I have a HOT DATE, yep. That’s what it is. A hot date. For sure.”

She didn’t like lying to Val, but Director Fury had said that tonight Carol was going to train with someone really special.

“Well, practice is early because I got places to be, too. So as long as your date’s not till later?”

“Ah, right after school, Val. Sorry!” Carol really needed to come up with a reason to quit the basketball team. She couldn’t do both! Even if it meant giving up her All-American title; she had another title that meant more.

ON THE OTHER SIDE OF THE HUDSON RIVER, KAMALA HAS A FAN ENJOYING HER LATEST STORY...
